Tim: I confess that I don't know what Little Green Footballs is. But I'm sure they were asking for it.
me: Charles Johnson
me: his people
me: discussed calling the FBI on me months back
me: and libeled me
Tim: The story I wrote about you was sent to the printer only moments ago.
me: as well as Assange and Anonymous
Tim: Ah.
me: a single hacker did it
me: partly to test out new methods
me: the video will explain
Tim: I'll watch it.
Tim: So the D Mag story will come out 3/25 or thereabouts. If something happens, though, we can always put it online earlier.
Tim: Do continue to keep me abreast, please.
me: will do, yo!
me: will challenge you to galaga rematch at some point
Tim: You don't have a prayer against me at Galaga.
Tim: Re: your video.
me: yeah fuck that
Tim: 1. You look alert and well. So that's encouraging.
me: should play something else
me: yep
me: what's the bad news?
Tim: 2. You live in the flight path for Love Fiend, not DFW.
me: I know lol
me: !
Tim: So that you know, the only geo info I gave on you in the story is a) you live within walking distance of the Quarter, b) you live not too far from the Katy Trail, and c) you live in the flight path for Love.
me: oic
me: don't matter

Tim: I'm stepping away from my computer now. A colleague requires that I have a beer with her. I'm not one to deny her the pleasure.
me: lol enjoy
